Mayor Carroll continued with information on streets being patched, and the on going leak behind the Assembly of God having to be repaired because of the age of the lines.

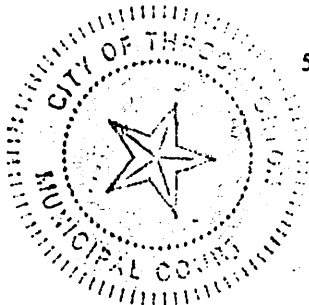

Council member Judy Jackson reported that Cathey Lee would be interested in serving on the council as place 4. Mayor Carroll stated that we will have this placed on the agenda for next meeting in August to discuss and vote on.

Council member Ricky Escalon asked how the progress was going with Tony Navarro's cleanup behind his house. Mayor Carroll said that Tony has received notices from the Code Enforcement and has stayed in touch with City Hall on this progress. The Mayor added that Tony is putting an effort to get it cleaned up and has been given an extension to do so. As long as citizens are trying to clean up after given notice from the Code Enforcement team, we will definitely work with them.

Mayor Carroll discussed the Convenience Station and how it's a never-ending chore and high expense for the roll-offs. The large brush piles need to be burned but citizens are constantly putting the wrong things in the pile and only brush can be burned according to the TCEQ.
