

Texas Commission on Environmental Quality

CERTIFICATE OF DELIVERY OF TIER III PUBLIC NOTICE TO CUSTOMERS:

Public Water System (PWS) name: CITY OF THROCKMORTON

PWS ID: 2240001

Type of Violation	Time Period(s) of Violation	# Samples Required	# Samples Submitted
Operational Evaluation Level Monitoring and Reporting	quarter three 2020	0	0

30 TAC 290.122(c) states that the owner or operator of a PWS who fails to perform required monitoring, fails to comply with a test procedure, or is subject to variance or exemption granted under §290.102(b) shall notify persons served by the system no later than one year after the PWS learns of the violation. The initial public notice shall be issued in the following manner:

Please indicate how the PWS provided this public notice to customers, mark all that apply:

COMMUNITY WATER SYSTEM:

- Mail or other direct delivery to each customer receiving a bill and to other service connections to which water is delivered **OR**
- Reporting in the Consumer Confidence Report (CCR) **(At least one of these two options is required)**
AND any other method reasonably calculated to reach other persons served by the PWS such as (choose one or more below):
- Delivery of multiple copies for distribution to others (i.e. apartment building owners, large private employers)
- Continuous posting in conspicuous public places within the area served
- On the internet
- Electronic delivery or alert systems (e.g., reverse 911)
- Delivery to community organizations

**Public Notice Mandatory Language for Monitoring and Reporting Violation
Operational Evaluation Report**

The CITY OF THROCKMORTON water system PWS ID TX2240001 has violated the monitoring and reporting requirements set by Texas Commission on Environmental Quality (TCEQ) in Chapter 30, Section §290, Subchapter F. Public water systems in exceedance of an operational evaluation level are required to conduct an evaluation of their source water, treatment and distribution operations and submit a report of their findings to the TCEQ.

We failed to conduct an operational evaluation and/or submit a report to the TCEQ.

This/These violation(s) occurred in the monitoring period(s) quarter three 2020.

We are taking the following actions to address this issue:

We will continue to monitor the HAAS & TTHM, so we
can provide the best water possible. We will also
report all operational evaluations to you as time continues.
<corrective actions>

Please share this information with all other people who drink this water, especially those who may not have received this notice directly (i.e., people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

If you have questions regarding this matter, you may contact 940-849-4411 at
Jimmy Collins at

Instructions for Preparing the Required Public Notice:

Recopy the mandatory language above and insert the underlined information in the spaces indicated.

The TCEQ recommends that the public water system provide a copy of the Public Notice(s) to local and state officials, such as Mayors, City Council Members, County Commissioners, Judges, and/or State Representatives, that are located in or that represent the affected area(s) served by the system.

Public Notice delivery timelines:

The initial public notice shall be issued as soon as possible, but in no case later than 12 months after the violation was identified. Repeat public notice shall be issued every 12 months for as long as the violation persists. All notifications require the attached Certificate of Delivery due 10 days from the posting date of the above notice.

Refer to 30 TAC §290.122 for additional information on Public Notification.

NONCOMMUNITY WATER SYSTEM:

- Continuously post Notice in conspicuous places within affected PWS or service area OR
 - Mail or direct delivery to each customer or service connection (At least one of these two options is required)
- AND any other method reasonably calculated to reach other persons served by the PWS such as (choose one or more below):
- Publication in a local newspaper or newsletter distributed to customers
 - E-mail to notify employees or students
 - Electronic delivery or alert systems (e.g., reverse 911)
 - Delivery of multiple copies to central locations (e.g., community centers, large employers)
 - On the internet

In accordance with 30 TAC §290.122(g), all public water systems that are required to issue public notice to persons in accordance with 30 TAC §290.122, and that sell or otherwise provide drinking water to other public water systems (i.e., consecutive systems), shall provide public notice to the owner or operator of the consecutive systems.

This PWS provides water to consecutive systems and those systems have been provided public notice.

Notice to Consecutive Systems was delivered on: _____ (date) by the following means: _____

Comments: _____

"I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fines and imprisonment for knowing violations."

NOTE: 30 TAC §290.122(f) requires the PWS to provide a copy of the Public Notice issued and a signed Certificate of Delivery to the Executive Director within 10 days.
